**PETITION UNDER 37 C.F.R. §1.181 TO WITHDRAW HOLDING OF  
ABANDONMENT**

**ATTN: PETITIONS BRANCH**

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

It is respectfully petitioned that the Notice of Abandonment mailed May 1, 2006, be withdrawn. The cited reason for the Notice of Abandonment is corrected drawings have not been received. However, on January 2, 2001, formal drawings were filed in the U.S. Patent and Trademark Office (see attached date stamped receipt and Transmittal Page from PAIR). Those drawings are found in the U.S. Patent and Trademark Office's records.

In the Notice of Allowability accompanying the Notice of Allowance and Fees due mailed November 29, 2005, Block 5 was checked indicating the drawings had to be corrected based on the Notice of Draftsperson's Patent Drawing Review attached to the paper mailed August 31, 2004 (copy from PAIR attached). That Notice, however, was directed to the

informal drawings filed with the application on September 29, 2000. It did not consider the formal drawings filed January 2, 2001.

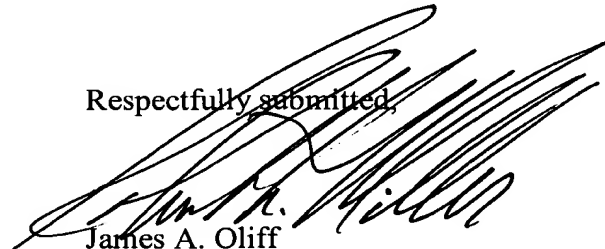

After a series of attempts, the undersigned spoke with Examiner Wallerson on January 18, 2006, concerning the formal drawings filed January 2, 2001. The Examiner reviewed the system and agreed that no drawings were due. The Examiner also indicated that he would send a Supplemental Notice of Allowability indicating such. The Supplemental Notice of Allowability was mailed on January 23, 2006 (see attached copy of date stamped 1<sup>st</sup> page) which no longer had Block 5 checked. Thus, the Patent Office now indicated that no formal drawings were required. Upon receipt of the Supplemental Notice of Allowability, indicating no formal drawings were due, on February 1, 2006, the undersigned paid the Issue Fee for the above-identified application. As such, Applicants have complied with all requirements for issuance of a Letters Patent.

Upon receipt of the Notice of Abandonment, Applicants' representative spoke with Ms. Kimberly Williams on May 5, 2006. She stated Examiner Wallerson had left the Patent Office. However, she did confirm the presence of the formal drawings and that Examiner Wallerson had mailed the Supplemental Notice of Allowability indicating no drawings were due. The attached PAIR Transaction and Document Descriptions verify the dates.

It is respectfully submitted that the filing of this Petition should have no effect on Patent Term Extension as the filing is the result of an error by the Patent Office over which Applicants have no control having previously taken the appropriate corrective action and received a document from the Patent Office indicating no drawings were due.

As such, it is respectfully petitioned that the Notice of Abandonment be withdrawn, the Patent Term Extension be unaffected, and that the application be promptly processed for issuance of the Letters Patent.

Respectfully submitted,
